What will the Business course look like?

Our Learners will work with specific textbooks and workbooks, authentic materials (business articles from magazines and newspapers, real business documents, brochures, catalogs, etc.), short videos, and podcasts as well as plenty of interactive activities such as role plays, dialogs, mini debates and small talks. On top of that you can expect pair work and group work on specific tasks or projects.

What levels do we offer?

- Intermediate 1 to Intermediate 6
- Advanced 1 to Advanced 6
